## PX-200

MoniCAM PX-200 is a user-friendly device with 6 white LED lamps for illumination. To turn on PX-200, just easily plug in the USB port with a type C cable and plug into the computer. The clients can download its software from MONITEX's website on their computers and start capturing high-resolution images and videos.

- USB cable connection (Type A to C)
- Full-screen real-time & 4 quadrant pictures
- Magnetic Reed Switch to automatically turn on/off the LED lamps

(1)6 White LED (2)Power Indicator Light (3)Power On/Off & Capture Button (4)USB Port

Optional Holder
